

The Annual YSCPC Awards Night

On Monday May 29 at St Joan of Arc C.H.S. the York Secondary Catholic Presidents' Council held their 15th annual awards night. This Council is made up of student leaders from each of the 15 high schools in York Catholic. The Awards Night is held at a different school from year to year, with school board leaders, Trustees and Principals presenting the awards. Each high school is able to nominate 10 students and 2 staff for these awards. We are pleased that the award winners from Father Bressani did attend and enjoy the event at St. Joan.
